At the Weed Park Tennis Courts!

USPTA Elite Professional, Michele Conlon, Assistant Director of the Hawkeye Tennis and Recreation Complex, will be leading these fun games and Drills right here in Muscatine, IA at Weed Park. Coach Conlon is also my tennis coach and mentor for our 40 and over and 18 and over teams.

GRTA and I will be kicking off the Tennis Playing Season with this event and I will be assisting Coach Conlon. Having the opportunity to learn from another Tennis Instructor is a wonderful thing, because they may have other tricks or cues to help communicate the skills necessary to practice and play this sport most effectively. Coach Conlon will bring a new fun take on your tennis game!
